DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner of Patents and Trademarks

Applicant's amendment filed 11/19/2002 is incomplete in that applicant has failed to submit a computer program listing on a compact disk. Repeated failures of response will serious delay the prosecution of the examination. See the office action paragraph 1, paper #13.

The examiner hereby sets a shorten period of one month for applicant to submit such a compact disk.
